FORESTRY - ORNAMENTAL - L. O. STOCK

Advance Offer of Seedlings

Prices of seedlings are expected to go much higher by spring, however with plentiful stocks at this time we offer the following for immediate acceptance. Orders placed now will not be subject to further price increase and in addition all CASH orders for Fall or Spring received during August and September will carry a discount of 10%.

No packing charges. Purchaser pays shipping charges.

If wanted by mail add 15¢ per 100; 40¢ per 1000.

Scotch Pine---Timber strain. (Also called Riga, Special, etc.) The best and most rapid growing tree for timber or Christmas trees.

2 yr. 2-5 in. \$4.00 per 100; \$30 per 1000.

Norway Spruce---The best spruce for forestry and Christmas trees.

3 yr. 3-5 in. \$3.50 per 100; \$25.00 per 1000.

Colorado Spruce--- So called blue spruce. Slower growing than Norway Spruce but forms a more compact tree. Now cheap enough for Xmas trees.

3 yr. 3-6 in. \$4.00 per 100; \$25 per 1000. Regular strain.

3 yr. 3-6 in. \$4.50 per 100; \$30 per 1000. Selected seed strain.

Japanese Red Pine---Fine rapid grower for Christmas trees up to 6 feet. Not suitable for forestry. If sheared becomes very dense.

3 yr. 4-8 in. \$3.50 per 100; \$25 per 1000.

Douglas Fir---Northern seed strain. best for the east. Rapid grower.

2 yr. 2-3 in. \$3.00 per 100; \$20 per 1000.

Mugho Pine---Dwarf Pine. 3 yr. 3-6 in. \$4.00 per 100.

Barberry. green. 6-9 inches. \$2.25 per 100; \$20 per 1000. Late fall only.

When ordering please state nearest express office. Up to 2000 seedlings are mailable.
